PICKS OF THE WEEK

Read of the Week

Fueled by George Saunders' unrivaled wit, outlandish imagination, and incisive political sensibility, *The Brief and Frightening Reign of Phil* is a deeply strange yet strangely familiar fable of power and impotence, justice and injustice—an Animal Farm for our times.

Movie of the Week

Aliens is a 1986 sci-fi classic starring Sigourney Weaver—The planet from Alien has been colonized, but contact is lost. This time, the rescue team has impressive firepower... but will it be enough?

Album of the Week

Valtari is the sixth studio album from Icelandic post-rock band [Sigur Rós](#). Bassist Georg Hólm states, "I can honestly say that it's the only Sigur Rós record I

have listened to for pleasure in my own house after we've finished it."

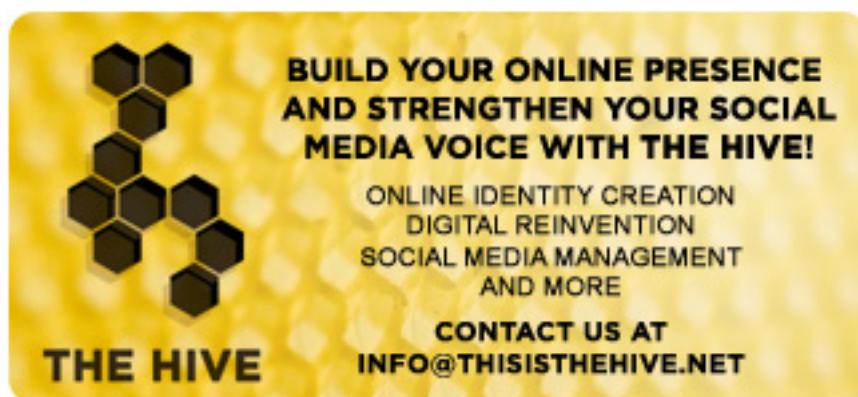

Website of the Week

WILDAID

WildAid's mission is to end the illegal wildlife trade in our lifetimes by reducing demand through public awareness campaigns and providing comprehensive marine protection.
